#### What's Enclosed

Enclosed are the preprinted return Form CT-75, voucher CT-75V, Schedule CT-75A and Schedule CT-75B for your Virginia Communications Taxes Return and payment.

#### General

Effective January 1, 2007, the new Virginia Communications Taxes, which include the Communications Sales and Use Tax, the E-911 tax on landline telephone service and the state Public Rights-of-Way Use Fee on cable television service replace most of the state and local taxes and fees imposed on communications services such as landline and wireless telephone and cable television.

Service providers are required to collect the new taxes and fees from their customers as line items on their bills and remit amounts collected to the Department of Taxation (TAX) on a monthly basis.

Communications Sales and Use Tax - Effective January 1, 2007, the Communications Sales and Use Tax ("Communications Sales Tax") is imposed on the sales price of communications services at the rate of 5%. A communications service is any electronic transmission of voice, data, audio, video or other information by or through any electronic, radio, satellite, cable, optical, microwave or other medium or method regardless of the protocol used for the transmission or conveyance.

**E-911 Tax On Landline Telephone Service** - Effective January 1, 2007, the new state E-911 Tax on landline telephone service ("Landline E-911 Tax") replaces the local E-911 taxes on landline telephone service. The Landline E-911 tax applies only to end users of landline telephone service and is imposed at the rate of \$0.75 per access line. Wireless telephone service will continue to be subject to the state E-911 tax on wireless telephone service.

**Public Rights-Of-Way Use Fee** - Effective January 1, 2007, cable television service is subject to the state Public Rights-of-Way Use Fee. The new state Public Rights-of-Way Use Fee imposed on cable television service ("Cable Rights-of-Way Use Fee") is calculated annually by the Department of Transportation on a per subscriber basis. New rates are effective July 1, 2007. See the chart below for use fee rates.

### Public Right-of-Way Use Fee Rates

| Period           | Rate  |
|------------------|-------|
| 1/1/07 - 6/30/07 | \$.64 |
| 7/1/07 - 6/30/08 | \$ 67 |

**Cable Franchise Fees** - Effective January 1, 2007, cable television providers are required to report by locality any cable television franchise fees accruing during the month on Schedule CT-75B. No separate payment to TAX or to the localities is required for these fees beginning January 1, 2007.

Enter the total from Schedule CT-75B onto the top of Form CT-75. **Do NOT include in Line 21 total.** The Schedule CT-75B is informational for TAX only.

#### **Filing Procedure**

After you have completed the return, voucher and schedule, mail them with your payment to the address above.

Mail your return, voucher, schedule and payment as soon as possible after the close of the reporting period but not later than the 20th day of the following month.

A return must be filed for each monthly reporting period even if no tax is due.
